

# OAK STAIR TREADS

*Buy Direct From The Manufacturer And Save*

## High Quality

Our high quality Oak Stair Treads are available in 4/4 and 5/4 thickness. They are manufactured using edge glued Oak pieces for superior stability with a bull nosed edge. Oak Stair Treads are available in 36" through 84" standard lengths and 10-1/2" or 11-1/2" widths.

## Premium Engineered Grade

Our Premium Engineered Grade Oak Stair Treads are finger jointed and edge glued for extra strength and stability and offer a sanded, durable, 1/4" Oak skin for superior color appearance.

## Mitered Returns

Left and right hand mitered returns are available at an additional cost. Stair risers are also available in 3/4" thickness in Oak and Poplar.

Weaver, Inc. is a leading innovator and manufacturer of high quality, consumer friendly hardwood products for more than 65 years. Call one of our sales professionals today for complete information and pricing.
