

# VENEERED OAK

## *The Perfect Solution For Long Lengths*

- Our Veneered Oak products are the perfect solution for difficult to find long length Oak boards and mouldings!
- Weaber 4/4 Veneered Oak boards are made superior in quality by using a finger jointed Oak substrate for strength and stability. They offer an attractive sanded finish Oak veneer on one face making them an excellent choice for interior trim and stair work. 5/4 Veneered Oak boards are manufactured with the same quality as our 4/4 boards. Veneered Oak boards are available in 6", 8", 10", and 12" widths in 16' Lengths.
- Our Veneered Oak crown mouldings are manufactured with a finger jointed Oak substrate and are available sanded and ready to finish in 3-1/4", 4-1/4", and 5-1/4" widths in 16' lengths.
- Our Veneered Oak products, which compliment our other Oak boards and mouldings, are competitively priced for the "cost conscious" builder.
- Weaber, Inc. has been a leading innovator of consumer friendly hardwood products for more than sixty years. Call us today If you would like to know more about our Veneered Oak or any of our other fine quality hardwood products.
